

**Michael Barrett, CMB**  
Sr. Vice President of Sales  
Candor

Over seventeen years of experience in financial services with extensive and diversified knowledge in business development, capital markets, lead generation, product management, pricing analysis and market development. Exceptional leadership skills and the ability to identify unique business opportunities balanced with strong analytical and interpersonal skills. Michael is currently the SVP of Candor a Loan Engineering System that uses OCR technology and a Investor based rules database to automatically underwrite loans with little to no human interaction.
