

Brian K. Fitzpatrick
Chief Executive Officer
LoanLogics

Brian Fitzpatrick, CEO of LoanLogics, is responsible for all facets of the business and is also the company's "chief culture officer." He is accountable for leading the company's rapid growth and is a demonstrated leader with expertise in mortgage technology and business process outsourcing solutions.

Mr. Fitzpatrick has raised industry-wide awareness of how technology plays a key role in the production and measurement of loan quality and performance. He is an adept spokesperson for LoanLogics and has authored and been quoted in numerous articles and white papers discussing regtech, digital mortgage, document processing and business rules technologies.

For outstanding achievement in leadership, Mr. Fitzpatrick was named twice as finalist for the [EY Entrepreneur of the Year Award](#) and once for the Marcum Innovator of the Year Award. He is also a recipient of HousingWire Magazine's prestigious Vanguard Award™ for leading and changing the housing economy.
